December – WSCU will once again support the Salvation Army and community by being a site for an Angel Tree. Keep an eye on WSCU’s lobby for your opportunity to be part of the Credit Union Movement of “People Helping People”

Saturday, February 25, 2017 – Annual Meeting...more details to come.

Designated Saving Accounts

Additional Saving accounts can be opened along with your regular saving accounts. This is a great budgeting tool to save for major or minor goals. To open additional saving accounts under your member number, come into WSCU and ask for an Account Services Representative.

Holiday or Vacation Accounts are two accounts that have been designated and are very popular. If you are a member that utilizes a Holiday Account please remember that the account no longer automatically transfers. You will need to request that it be transferred by using Homelink, the WSCU mobile app., calling Datacheck, or calling the credit union at (970) 330-9728. However you choose to access your money, if you have saved... it will be waiting for you!
