Username Registration

For added account security, you will be required to login using a unique username instead of your account number. If this is your first time logging into the new HomeLink, your temporary password will be WSCU and the last 4 digits of your primary account holder's Social Security number.

For example:

Primary account holder's Social Security number is 123-45-6789, the temporary password will be **WSCU6789**

Please provide the required information below and select a username you would like to use following the rules listed and click Continue. You may change your username from within HomeLink at a later time if you so choose.

For additional assistance, you may download detailed instruction. You may also call us during regular business hours at 970-330-9728 or email us at admin@weldschoolsacu.com

Rules:

- 6-20 characters in length
- Must start with a letter
- No special character-only letters and numbers

Register Verification Questions

Before you proceed, you will need to register personal verification questions and answers. Registering questions will help secure your account against fraud. As an extra security measure, we will occasionally require that you answer one of your personal verification questions to confirm your identity.

Tips:

- Choose questions that are specific and that only you can answer
- Do not disclose your answers to anyone
- Answers are not case sensitive and can contain spaces

Challenge Question #1
